"Aware, Awake, and Alert"

Liberty is a precious gift passed from one generation to the next. It is time we each take off our party's hat, and instead join together in the party of **'We the People'**

WHO WE ARE: We are business owners, farmers, bankers, truckers, students, & soccer moms. We are the backbone of America, representing a variety of socioeconomic, ethnic, cultural, and religious backgrounds.

Our goal is to rally Americans to **UNITE** and restore the USA to one of Constitutional governance. America is at a critical crossroads, and we must stand together peacefully to turn back the tide of radical, progressive, big government.

Texas is a target by the progressive left to further expand government reach with restrictions on every aspect of our lives. Conservative, Republican, Libertarian, Reagan Democrat, Independent – regardless of label, we must work **TOGETHER** to return America to the rights of Life, Liberty, and the Pursuit of Happiness.
